

April 7, 2020

Dear Trinity Families,

I hope you are enjoying Spring Break and your families are happy and healthy.

As you may have heard, San Mateo County Office of Education along with the county superintendents in Alameda, Contra Costa, Marin, San Francisco and Santa Clara, announced today the decision to extend campus closures through the remainder of the 2019 - 2020 school year. The notification is here:

<https://www.smcoe.org/about/county-office-of-education/news/bay-area-campuses-to-stay-closed-for-remainder-of-school-year.html>

Please know the most important considerations for me continue to be the health and safety of our students, faculty, staff, families and extended community and delivering the optimal distance learning program for all our students. I am in contact with the local and CAIS (California Association of Independent Schools) networks as well as our Board of Trustees.

Thank you for your enduring patience and support as we continue to be deliberative in making the most informed decision. I will be in touch with you if a decision is made to remain with distance learning through the end of the academic year. I do feel the adjustment to distance learning via faculty training and feedback from the initial 3 weeks, merger of asynchronous and synchronous learning and adoption of the Seesaw platform following Spring Break, serves our students in the long term.

As always, my door is open and I welcome your input and insight.

Hold your families close.

Matt

Head of School
