## Spring Break Resources for Families

We have compiled this list of online learning resources for kids that you can reference over Spring Break. They represent a range of ages and skills; there's something for everyone here. You can choose what best speaks to your family.

In addition to these suggestions, all Trinity School students can access even more activities in their "Spring Break Camp" class within the [Seesaw platform](#). Log on to Seesaw to view the "Camp".

### Our Top Five:

1. Try out this fun [list](#) of 100 Ways to Play from the Boston Children's Museum!
2. Explore the National Parks of the United States on this Google Earth tour!
3. Join children's illustrator Mo Willems in his studio for daily [Lunch Doodles!](#)
4. Move & Learn at home With [GoNoodle](#) - movement, mindfulness, and more!
5. Do some science at home with the Exploratorium's [Science Snacks!](#)

## All Academic Subjects

[Khan Academy](#) has comprehensive classes in many subjects for all grades!

Scholastic's "[Learn at Home](#)," page offers different activities like stories to read, virtual field trips, and more!

## Reading and Writing

# B I N G O

Surprise someone in your home with an act of kindness

Make a book trailer or book review.

[Share your video or drawing](#)

Draw a picture or write a message to your teacher. Have an adult email it to them - they miss you so much!!

Visit animals at the [Monterey Bay Aquarium](#). [Draw](#) a picture of one of the animals you saw.

Plant some seeds. Use popsicle sticks to label your garden.

Build a "fairy garden" on a patio or other outdoor space.

[Here is a video to get started.](#)

[Share a picture!](#)

Write your name with sticks or other natural materials.

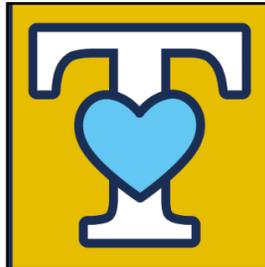

Read and share your favorite story from this Trinity School resource: [Tumblebooks](#)

Using paper and tape, create an outfit for a favorite stuffie. [Share your finished work!](#)

Write or draw your parents a reason you're thankful for them right now. What have they done to help you lately?

Create an obstacle course and have your family join you in the fun!

[Create a pop up card](#) for someone you love! Bonus points if you mail it to them.

Build an arcade game or other creation out of cardboard and duct tape. [Get Inspired](#)

Make a fun reading nook in your home- take a picture with your favorite book in your nook and add it to this [Padlet](#)

Find (but don't disturb!) a living creature in your backyard! Can you find one with more than 4 legs?!

Write a postcard to your grandparents or a special elderly friend including a joke or anything that you think will make them laugh

Find a book you LOVE, and share why on this [Padlet!](#)

Chalk your walk! Write a message for your neighbors on your sidewalk.

Read a book from a year before you were born.

Have someone take a picture of you with your pet(s) and send it to a classmate.

Create a Rubber Egg!

[Follow these directions to make it work.](#)

Call relatives that live far away and tell them 3 things about your day.

Make a funny commercial using your stuffies or action figures.

Facetime with a relative you miss. Let them know 2 things that you enjoy about them.
